This complimentary workshop is for children who have experienced the death of someone they loved and provides them a place to come together in an atmosphere of love and acceptance. This year's Camp Encourage will be presented in a workshop format with three different times to choose from.

The workshop is open to any child ages 6 to 15, courtesy of EverHeart Hospice. Colors, Coping, & Connection will guide children to cope through creative adventures with hands-on activities. Each session will be held outdoors at our Greenville Office and includes a meal. **Application deadline is June 1st.**
